OUR ORGANISATION

The Shire of Carnarvon provides excellent customer service across a wide range of programs, facilities and services that contribute to maintaining and enhancing our community. At the heart of our organisation are our values which underpin how our employees perform their duties and engage with the community and stakeholders.

Our CARECHIP is what gives us the drive to serve our community.

We take pride in knowing that our employees and new recruits share our values, and we like to think that everyone who chooses to collaborate with us brings this CARECHIP with them.

POSITION OVERVIEW

As the Reticulation Specialist, you will be a motivated, problem-solving individual with a high degree of technical irrigation component and system knowledge. You will be responsible for the operation, maintenance and renewal of the Shire of Carnarvon irrigation water supplies and distribution systems. These systems include water from potable, recycled, artesian and non-potable sources. You will ensure these systems function as intended to ensure public areas receive the irrigation water necessary to maintain their required level of service.

COMMUNITY STRATEGIC OBJECTIVES

In 2040 Carnarvon is a place where:

- ★ Our equitable community is actively involved in and are responsible for developing innovative, local solutions that transcend our region for a safe and unified 6701.
- ★ Our economy fosters investment and productivity in industries befitting Carnarvon's physical and natural environment and that grow our horizons.
- ★ Our sustainable livelihoods create a community that can flourish into the future.
- ★ Our holistic health care facilities provide services from the womb to the grave.
- ★ Our educational opportunities from early childhood to adulthood are tailored and relevant to the individual.
- ★ Our infrastructure, housing and amenities are high quality and accessible.
- ★ Our community acknowledges our history and celebrates our diverse cultures.
- ★ Our community is engaged, inclusive and supportive.

KEY ROLE OUTCOMES

- ★ Demonstrate successful leadership through the application of the Shire's core values by promoting a work culture of sustainability, quality improvement, efficiency, and excellent customer service that corresponds to our Code of Conduct and Customer Service Charter.
- ★ Ensure compliance with the Local Government Act (WA) 1995 and any relevant legislation.
- ★ A commitment to a safe work environment and WHS legislation, policy and processes.
- ★ Installing, commissioning, maintaining, adjusting and repairing irrigation water supply and distribution systems including but not limited to pumps, pipes, valves, filters, controllers, sprinklers and drip system components.
- ★ Fault-finding and rectification of irrigation water supply and distribution systems.
- ★ Interrogation, programming, and operation of various types of irrigation control systems.
- ★ Identification of water supply and distribution system deficiencies and potential improvements.
- ★ Documentation of irrigation system operational information including meter readings and other system data to identify trends and reporting.
- ★ Coordination with the Public Health Officer to ensure the Shire of Carnarvon recycled water irrigation system meets its Department of Health licence requirements.
- ★ Interpret irrigation design drawings and set-out irrigation designs on site.
- ★ Installation and fault finding of extra-low voltage irrigation control cabling networks.
- ★ Promote and actively develop the transfer of knowledge to less-experienced staff.

WORK HEALTH SAFETY RESPONSIBILITIES

- ★ To take reasonable care for their own safety and health and to avoid harming the safety and health of other people through any act or omission at Shire workplaces. And as relevant:
- ★ Proactively comply with all Shire WHS Policies, Procedures, and Guidelines, Practice, duties and other relevant conditions. As well as with the WA WHS Act 2020, WHS (General) Regulations 2022, all other relevant Regulations, Codes of Practice and Australian Standards.
- ★ As far as reasonably possible comply with instructions given by their employer or an authorised person in the interests of safety and health and in accordance with the WHS Act.
- ★ Must report to their manager, supervisor, WHS Representative, PC&S and/or other relevant contact person work related injuries, near misses and any hazards at the workplace that they cannot correct themselves.
- ★ Must use, store and maintain personal protective equipment as properly instructed, and not damage or misuse any equipment or facilities provided in the interests of safety and health.
- ★ Participate in and where possible provide leadership for a continuous improvement culture of safety where best practice initiatives are entrenched in daily business activities.

LICENCES, REGISTRATIONS, MEMBERSHIPS OR QUALIFICATIONS REQUIRED OF THE ROLE

- ★ Current Western Australia Driver's License
- ★ Construction Safety Awareness Certificate (White Card)

ESSENTIAL CRITERIA

- ★ Highly developed ability to uphold a values-based approach in the workplace.
- ★ Ability to work effectively and productively within a team or independently.
- ★ Ability to prioritise, multi-task and work in a fast-paced environment.
- ★ Demonstrated ability to safely operate heavy and light machinery, equipment and tools effectively and safely.
- ★ Knowledge and experience of all Irrigation infrastructure including pumps, aerators, multiple control (including remote access) and wiring systems and experience in a similar role.
- ★ Good mechanical aptitude.

DESIRABLE CRITERIA

- ★ Previous experience with Local Government
- ★ Traffic Management ticket
- ★ MR Truck licence

- ★ Skid steer and excavator tickets
