DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Carnarvon for any act, omission or statement or intimation occurring during Council/Committee Meetings or during formal/informal conversations with Staff or Councillors. The Shire of Carnarvon disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council/Committee Meetings or discussions. Any person or legal entity who acts or fails to act in reliance upon any statement does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or limitation of approval made by a member or officer of the Shire of Carnarvon during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Carnarvon. The Shire of Carnarvon warns that anyone who has an application lodged with the Shire of Carnarvon must obtain and only should rely on WRITTEN CONFIRMATION of the outcome of the application, and any conditions attaching to the decision made by the Shire of Carnarvon in respect of the application.

To be noted that, in accordance with Regulation 11 of the Local Government (Administration) Regulations 1996, the minutes of the Council Meeting are a record of the decisions of the Council, any additional officers' advice, and explanatory notes as required. The minutes contain a summary of questions asked by members of the public and the answers given. The minutes **are not** a transcript of the proceedings of the meetings.

INFORMATION ON PUBLIC QUESTION TIME

The following information is provided should you wish to ask a question of Council at the Ordinary Meetings held on a monthly basis.

Please note that questions that have not been filled out on the Submission Form will not be accepted.

- The Local Government Act 1995 allows members of the public to ask questions in regard to any issue relating to the Shire.
- A maximum of 15 minutes will be allowed for public question time and the Presiding Member will allow a maximum of three (3) verbal/written questions per person.
- Prior to asking a question, the speaker must state his/her name and address.
- Members of the public are discouraged from asking questions which contain defamatory remarks, offensive language or questioning the competency of staff or Council members.
- The Presiding Member may nominate a member or officer to answer the question and may also determine that any complex questions requiring research be taken on notice and answered in writing.
- No debate or discussion is allowed to take place on any question or answer.
- A summary of each question asked and the response given will be included in the minutes of the meeting –

Local Government (Administration) Regulations 1996 – Pt 2, r.11 – (in part reads -)

11. Minutes, content of (Act s.5.25(1)(f))

The content of minutes of a meeting of a council or a committee is to include –

(e) a summary of each question raised by members of the public at the meeting and a summary of the response to the question.

Responses to questions that are taken on notice will be responded to as soon as possible.

- If you wish to ask a question, please complete the Public Question Time Submission Form at the back of this information sheet. Alternatively, questions can be submitted in writing to the Shire of Carnarvon 3 days prior to the meeting.

SPECIAL MEETINGS OF COUNCIL

Members of the public are welcome to attend a Special Meeting of Council if open, and ask questions of the Council within the allotted public question time **subject to the questions being asked only relating to the purpose of the Special Meeting** (s5.23 of the Act and regulation 12 (4) of the Local Government (Administration) Regulations 1996, the Department of Local Government and Communities Guide to Meetings and Governance Bulletin April 2014 and Guideline No. 3 Managing Public Question Time.)

Summary of Report

Scouts WA has formally advised the Shire that it is no longer operating in Carnarvon; as such, both parties have mutually agreed to terminate the Scouts WA lease over Reserve 39114, including the Baden Powell Hall, Lot 1286.

This report presents a request from the Gascoyne Gymnastics Club, who currently operate from this building, to formally lease the premises.

The officer recommendation is that Council approves the lease to the Gymnastics Club to provide premises to a community sporting organisation and to avoid a serviceable building being unoccupied.

Background

The Scout Hall on Reserve 39114 in East Carnarvon, WA, has been leased to Scouts WA since December 2016. Scouts WA breached the conditions of the lease by failing to utilise the hall for its intended purpose and by subletting to the Gascoyne Gymnastics Club without proper authorisation. These breaches prompted the Shire of Carnarvon to contact Scouts WA to establish if they are intending to use the Scout Hall for the intended purposes as per the lease conditions or if they are no longer providing their service to the town of Carnarvon. Scouts WA have confirmed that they are no longer operational and do not foresee recommence

operations in Carnarvon; as such, both parties have agreed to terminate the lease as per Item 8 of the Schedule to the lease.

The Gascoyne Gymnastics Club had been subletting the building from Scouts WA. They are seeking a suitable space to continue to operate and have formally applied to the Shire to lease the Scout Hall.

Community and Strategic Objectives

The proposal aligns with the following desired objectives as expressed in the *Community Strategic Plan 2022-2032*:

OBJECTIVES

In 2040 Carnarvon is a place where:

- *Our community is engaged, inclusive and supportive*

ADDITIONAL FOCUS AREAS:

- *Supports the needs of youth in Carnarvon*

BIG IDEAS FOR THE FUTURE OF CARNARVON:

- *N/A*

Comments

The officer’s recommendation that Council approves the lease to the Gymnastics Club, is based on the risks associated with unoccupied buildings as outlined above and a known community need. A longer-term lease would provide stability and support for the Club’s activities. A lease would benefit current Club members while also opening up opportunities for new participants to engage in this sport.

OFFICER’S RECOMMENDATION

That Council, by Simple Majority,

- 1. Pursuant to Section 3.58 of the Local Government Act 1995, resolves to grant a formal lease to Gascoyne Gymnastics Club over Reserve 39114.***
- 2. The proposed lease is to be based on the Shire of Carnarvon Policy CF018 Lease and Licensing Classification –Tier Two and as per the following:***
 - (a) An initial five (5) year lease period, plus an option of a 5-year extension;***
 - (b) An annual lease payment of \$300 (excluding GST) plus annual CPI Indexation.***
- 3. Authorise the CEO to negotiate the details of the lease with the Lessee in accordance with Council Policy CF018 and the Shire of Carnarvon’s standard lease conditions.***

Summary of Report

This report presents a submission to the Carnarvon Floodplain Management Working Group (Working Group) from Mr Tony Vrankovich, a member of the Working Group, on the matter of adding soil to the Boundary Road levee during flood events. The report seeks Council’s position on this matter in order for the Shire President, as the Council’s nominated representative on the Working Group, to vote on Mr Vrankovich’s submission at the Working Group meeting.

Background

Following the flooding of the lower Gascoyne River in February 2021, the Carnarvon Floodplain Management Working Group was established to assist with the recovery from that flood and to consider how to reduce the impact of future floods. The Working Group membership includes representatives from Departments of Primary Industries and Regional Development (DPIRD), Water and Environmental Regulation (DWER) and Fire and Emergency Services, along with the Shire of Carnarvon, the Carnarvon Growers Association, and individual growers. The Working Group report was completed in May 2022 and a second iteration of the

Working Group was formed to implement actions arising from the May 2022 report. A summary of actions from the Report and their status as of February 2024 is provided for Council's interest.

The Boundary Road levee, particularly the raising of the levee height with additional soil when a flood is expected to top the levee, has been one topic of discussion at Working Group meetings.

The Boundary Road levee is part of a levee system owned and managed by the Shire of Carnarvon. It was constructed in 1990 to mitigate the flood risk in East Carnarvon and to protect critical infrastructure such as the airport, hospital, food supply and communication infrastructure. In major flood events, the Department of Fire and Emergency Services (DFES), as the agency responsible for coordinating the emergency response, has the authority to raise the Boundary Road levee with additional soil. Please see attachment *Submission to Carnarvon Floodplain Management Working Group on Boundary Road recommendation* for a more detailed explanation of this matter and the authority of DFES to act in managing a flood response.

The attached submission was developed by DPIRD for the Working Group and contains background context for the Working Group to consider when they vote on a recommendation from Mr Vrankovich. The recommendation from Mr Vrankovich is provided below.

Recommendation from Mr Vrankovich: "Irrespective of the predicted flood level, and in the absence of new flood modelling information being available, the Carnarvon Flood Plain Working Group recommends that NO soil should be placed on the Boundary Road levee as a flood mitigation strategy to protect the Town of Carnarvon's critical infrastructure and its ability to support the region during and after flood events."

Further to the attached submission, at the last meeting of the Working Group held on 14 March 2024, DFES explained that their decision-making in determining the appropriate response to an emergency is made collaboratively with other on-ground agencies with appropriate local knowledge and informed by available technical data. Acknowledging that there is currently limited technical data of the impact of adding soil to flood levels, one of the actions the Working Group has been progressing under the Improving Flood Preparedness project is the new Flood Model that can model the impact of various interventions or scenarios on flood levels, including adding soil to the Boundary Road levee. It is anticipated that the new model will be available in the coming months and will assist in addressing that technical knowledge gap.

The Shire President is Council's delegate on the Working Group and is therefore required to vote on Mr Vrankovich's recommendation. Council's policy *EME019 ROLES AND RESPONSIBILITIES OF SHIRE DELEGATES TO EXTERNAL BODIES* states that if Council has not previously established a position, the delegate should give due consideration to the potential sensitivity and/or risk inherent to the matter, i.e., potential for negative environmental or social impact, or risk of community conflict. Where the delegate evaluates potential for a significant level of sensitivity or risk then, prior to committing to a position, the CEO is to be requested to prepare a report for Council's consideration. The delegate may provide a position statement for inclusion in the report however, the administration must provide professional opinion, advice, and a recommendation for Council determination.

Stakeholder and Public Consultation

The Carnarvon Floodplain Management Working Group consists of representatives from relevant stakeholder agencies and community members. No further consultation is recommended.

Financial Implications

There are no direct financial implications from officer’s recommendation; however, it is clear the financial implications of actions taken during a flood, including whether to add soil to the Boundary Road levee, are significant.

Community and Strategic Objectives

The proposal aligns with the following desired objectives as expressed in the *Community Strategic Plan 2022-2032*:

OBJECTIVES

In 2040 Carnarvon is a place where:

- *Our infrastructure, housing and amenities are high quality and accessible*

Comments

As per Council Policy EME109, the Shire President has identified the potential for a significant level of sensitivity regarding this matter and has requested this report for Council consideration and direction.

As per Policy EME019 a recommendation from the administration is presented for Council determination having regard to the risks and serious implications of this decision.

It is important that Mr Vrankovich has raised this matter as it has ensured that any decision to add soil to the Boundary Road levee is carefully considered. The officer’s recommendation is based on compliance with the *Fire and Emergency Service Act 1998*, and on the understanding that before such a decision is made, DFES will consult with stakeholders and conduct a thorough tactical risk assessment.

It should be noted that the impact of floods on property owners outside the Boundary Road levee is taken seriously by the Shire, DFES and other stakeholders. The new flood model will assist the Working Group to identify potential actions to mitigate the impact on those property owners.

OFFICER’S RECOMMENDATION

That Council, by Simple Majority pursuant to Section 3.18 of the Local Government Act 1995, resolves to adopt the following position in relation to flood mitigation actions and responses, including adding soil to the Boundary Road levee:

- a. The Shire of Carnarvon will support decisions made by the Department of Fire and Emergency Services (DFES) as the controlling agency in an emergency under the Fire and Emergency Services Act 1998, based on triggers within the DFES tactical risk assessment; and***
- b. The Shire of Carnarvon, in partnership with other agencies, will continue to progress the Flood Modelling as a tool to inform potential future decisions and actions that aim to minimise the impacts of floods on all members of our community, to the greatest extent possible.***

Summary of Report

The updated Shire of Carnarvon Council Policy Manual was adopted by Council at the Ordinary Meeting of Council on 23 August 2022. This agenda item forms part of a schedule to facilitate the regular formal review of the Council Policy Manual by Council. Table 2 in the comments section details the recommended changes to the policies.

Background

One of the primary functions of a Local Government Council is to determine the local government’s policies. Council policies focus on the strategic and statutory decision-making obligations of the Council. The policy may relate to an Express Power or Duty or a matter that is non-statutory and entirely discretionary. Council policies guide and inform the Local Government’s strategic, financial, and operational functions and may impact service levels provided to the community. Council policies apply to Council and employees when fulfilling their decision-making responsibilities.

A full review of all policies was completed by Council in August 2023. At that time the Council advised it was onerous to review all 71 policies at once and a quarterly review cycle would be more manageable.

The schedule for review is as follows:

Table 1

Month	Policy Numbers
March	EME001 to EME017
June	EME018 to EME034
September	CF001 to CF019
December	ID001 to ID005 and CD001 to CD013
New Policies	Presented to Council as required.

Stakeholder and Public Consultation

Nil.

Statutory Environment

Section 2.7 of the Local Government Act 1995 articulates the Role of Council, which includes determining policies of the local government.

The specific legislation for different policies is provided for reference in each policy document.

Relevant Plans and Policy

Shire of Carnarvon Policy Manual.

Financial Implications

There are no additional financial implications from adopting the updated policies. Any impacts have either already been considered in the budget setting, e.g., Community Growth Fund allocations, or will be brought before Council if there is a financial impact outside the current budget allocation.

Note to minute – Council requested that policy EME008 Designated Senior Employees be amended in order to clarify the senior employees designation as follows

To designate positions within the organisation that are classified as ‘Senior Employees’ in accordance with s5.37 of the Act.

POLICY STATEMENT/S

- 1.0 The Chief Executive Officer (CEO) is the only Designated Senior Employee employed by the Local Government by virtue of Section 5.36 of the Local Government Act (WA) 1995 (the Act). As per the Act, the provisions of the proposed employment contract for the CEO, under S5.36 requires an absolute majority decision of Council.
- 2.0 In addition, under S.5.37 of the Act, Council designates the following positions as Senior Employees. Under this provision, the CEO is responsible for employing these employees but must inform Council of each proposal to employ or dismiss a senior employee, noting that Council may accept or reject the CEO’s recommendation. Where Council rejects a recommendation in regard to Senior Employees, Council must inform the CEO of the reasons for doing so.

Summary of Item

This item presents officer requested budget adjustments arising after the adoption of the 2023-2024 Budget for Council to consider. The officer’s recommendation is that the adjustments are approved by Council.

Background

The Council adopted the Annual Budget for the Shire on 22 August 2023.

In accordance with *Section 6.8(1) of the Local Government Act 1995* a local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure:

- Is incurred in a financial year before the adoption of the annual budget by the local government
- Is authorised in advance by Council resolution - absolute majority required
- Is authorised in advance by the Mayor or President in an emergency.

It is good management practice to revise the adopted budget when it is known that circumstances have changed. In keeping with this practice, budgets are reviewed by Officers regularly. Officers have three recommendations for the month of February.

Summary of Report

This item presents to Council Sundry Debtor debts considered unrecoverable and seeks a Council resolution to write off these debts.

Background

The officer has reviewed the aged debts as outlined in Council Policy CF007 Debt Collection to ensure aged debts are recovered, including outsourcing to third party and hand delivered notices by Rangers. However, the debts presented in this report are deemed to be unrecoverable.

Statutory Environment

Local Government Act 1995 Section 6.12 (1)(c)

Relevant Plans and Policy

CF007 Debt Collection; and Delegation 1.2.21 Defer, Grant Discounts, Waive or Write-Off Debts is delegated to the CEO where a debt may only be written off where all necessary measures have been taken to locate / contact the debtor and where costs associated with continued action to recover the debt will outweigh the net value of the debt if recovered by the Shire of Carnarvon. Delegation is also limited to individual debts valued below \$200 or cumulative debts of a debtor valued below \$500. Write off debts greater than these values must be referred for Council decision.

Financial Implications

The total recommended write-off is \$842.25. This amount is considered immaterial in the overall context of the Shire’s financial position.

Comments

All reasonable recovery actions have been undertaken to secure payment of the listed debts. The Debtors listed below are recommended to be written off as the debtors have either declared bankruptcy, closed their business and/ or left town and not left a forwarding address. It would be uneconomical and inefficient use of Council resources to continue to pursue these debts given the return on that investment in time.

Debtor Code	Amount Outstanding	Date	Details of Debt	Reason for Write off	Preventative Actions
MCMVAN	\$603.55	12/10/2023	Reimbursement cost for recovering Ford Territory from New Beach and tow to TIP site.	Multiple efforts to recover debt internally, hand delivered notices and through Recoveries Legal have been unsuccessful.	As part of the reviewing process into debt recovery within Sundry Debtors, the Shire has streamlined the process and shortened the time frames that trigger actions in accordance with the debt recovery. These changes will ultimately lead to improved recovery debts and allow for a more efficient process of commencing litigation claims and write-off of bad debts.
OFSEAU	\$238.70	18/10/2023	Carnarvon Airport landing charges for the period from 1 September 2023 to 24 September 2023	Multiple efforts to recover debt internally and through Recoveries Legal have been unsuccessful.	

OFFICER'S RECOMMENDATION

Summary of Item

This item presents the Statement of Financial Activity for the period ending 29th February 2024 for Council to consider. The officer’s recommendation is that the Statement of Financial Activity be received by Council.

Background

Each month a local government is to prepare a Statement of Financial Activity reporting on the revenue and expenditure for the month as set out in the budget. The *Local Government (Financial Management) Regulations* provide that the statements be presented at an Ordinary Meeting of the Council within two months after the end of the month to which the statement relates.

Community and Strategic Objectives

The proposal aligns with the following desired objectives as expressed in the Community Strategic Plan 2022-2032:

OBJECTIVES

In 2040 Carnarvon is a place where:

- *Our community is engaged, inclusive and supportive*

ADDITIONAL FOCUS AREAS:

- *Improve the trust between citizens and the Shire of Carnarvon*

Comments

The officer advises that the February 2024 Statement of Financial Activity being presented at the February 2024 Ordinary Meeting of Council complies with the *Local Government Act 1995*. **Schedule 1** attached for consideration is the Statement of Financial Activity, legislative notes, and supporting notes for the period ended 29th February 2024.

Monthly Financial Report – contains:

- Statement of Financial Activity (by Nature or Type) - with Explanation of Material Variances*
- Note 1 Composition of Net Current Assets*
- Note 2 Statement of Financial Position*
(* required by legislation)

Notes for other supporting Information include:

- Basis of Preparation
- Statement of Financial Activity by Program
- Cash and Financial Assets
- Cash Reserves
- Capital Acquisition and Disposals
- Receivables
- Payables
- Rate Revenue
- Non-operating grants and contributions
- Operating grants and contributions
- Borrowings
- Lease Liabilities
- Budget Amendments

Councillors should note a change to the statutory format of the Statement of Financial Activity at page 2 and 3 of the Financial Report where totals of each category of Income or expenditure have been aggregated at the bottom of the report. For information, the old format is still included in the other supporting information.

Operating Grants Subsidies and Contributions are \$647K lower than year to date budget, this is due to the timing of completed works and the claiming of AGRN flood damage funds (\$759K). Funds are claimed from DRFAWA based on milestone progress claims. The Shire has also received additional Financial Assistance Grants funding that will be included as additional funds available in the budget review.

Interest Earnings are higher than budget with staff managing cash flow and investing surplus funds in term deposits. Details of these deposits are disclosed in Note 5 of the Notes to the Monthly Financial Report.

Operational Material and Contracts is \$3.07M lower than year to date budget, this is considered a timing variance relating mainly to DRFAWA and Improving Flood preparedness projects. There are various other contracts throughout the service areas that are lower than year to date budget, that are noted in the variance explanation.

OFFICER’S RECOMMENDATION

That Council, by Simple Majority pursuant to Section 3.18 of the Local Government Act, 1995 , resolves to receive the Draft Statement of Financial Activity for February 2024 as per attached Schedule 1.

Summary of Report

This item presents an offer of \$3.357 million in funding from Lotterywest towards the Carnarvon Activation Plan Phase One. The officer’s recommendation to Council is that the offer is accepted, and that Council considers the required co-contribution commitment of \$554,650 over two years as part of the 2024/25 and 2025/26 budgets.

Background

At the Ordinary Council meeting in December 2023, Council endorsed the Carnarvon Activation Plan (CAP) and authorised the CEO to pursue funding opportunities to implement the CAP. Officers subsequently lodged an application for \$3.35m from Lotterywest towards the delivery of CAP Phase One. The application was successful, and an offer of funding has been presented to the Shire based on the following elements.

1. Tramway Walk Trail – Whitlock Island shelter, healing space, trail furniture, and signage. This element leverages the LRCI funding which has been allocated towards the Tramway Bridge repairs.
2. Van Dongen Park – playground, landscaping, and day use facilities.
3. Public Art - utilising the Community Art Hub, local artists will be engaged to design artworks to be installed in Robinson St, Town Oval, and Van Dongen Park.
4. Digital Screen - A large digital display screen installed outside the Civic Centre for promotion and marketing.
5. Town Oval – outdoor stage, public art, and furniture.

The project will be delivered using a design and construct methodology. It is aimed to deliver the project over two years, 2024/2025 and 2025/2026.

Stakeholder and Public Consultation

The Carnarvon Activation Plan was developed with strong stakeholder and community engagement including two workshops with the community. The co-design process was widely advertised to encourage participation and a total of 35 community members attended across the two workshops.

The Shire has received formal support from the following key stakeholders:

- Gascoyne Development Commission
- Tourism WA
- WA Police
- Yinggarda Aboriginal Corporation via Gumala
- Carnarvon Chamber of Commerce and Industry
- Lock Hospital Working Group
- Ngala

Further public and stakeholder consultation will form part of the final design process.

Relevant Plans and Policy

Carnarvon Activation Plan

Financial Implications

The CAP Phase One leverages committed funds of \$1,049,000 (LRCl, Real Futures, GDC) to secure \$3.357m from Lotterywest. A cash contribution of 11% of the total project cost which equates to \$554,650, is required from the Shire to fund elements of the project that are ineligible under the Lotterywest grant guidelines. These elements include landscaping/planting, irrigation, and marketing.

Understanding the cash contribution required to secure this funding is sizable, officers have considered the impact on the budget and offer the following to lessen the impact:

- The project delivery period of 24 months; therefore, the Shire’s contribution may be considered over two financial years.
- Savings from the operational areas such as project planning and marketing are directed to this project.
- Additional funding opportunities will continue to be explored to reduce the Shire co-contribution.

Community and Strategic Objectives

The proposal aligns with the following desired objectives as expressed in the *Community Strategic Plan 2022-2032*:

OBJECTIVES

In 2040 Carnarvon is a place where:

- *Our community is engaged, inclusive and supportive*
- *Our equitable community is actively involved in and are responsible for developing innovative, local solutions that transcend our region for a safe and unified 6701*
- *Our infrastructure, housing and amenities are high quality and accessible*
- *Our sustainable livelihoods create a community that can flourish into the future*
- *Our community acknowledges our history and celebrates our diverse cultures*

ADDITIONAL FOCUS AREAS:

- *Supports the needs of youth in Carnarvon*

BIG IDEAS FOR THE FUTURE OF CARNARVON:

- *Fascine Waterway Improvement*
- *Whitlock Island Development*
- *Gascoyne River Path and Parks*

Comments

The project design has focused on improving amenity for the local community and visitors by renewing and adding value to existing assets. The intent is to add interest to existing spaces, encouraging visitors to stay

longer rather than pass through Carnarvon. The phased approach has allowed officers to secure significant external funding, for a relatively small investment from the Shire.

The CAP Phase One, is one of two phases that will deliver a series of eight projects. Further third-party funding is being sought to deliver the remaining elements, creating a connected and activated town centre. Successful delivery of Phase One will be a strong demonstration to other potential funding bodies of the Shire's commitment to implementing the CAP.

OFFICER'S RECOMMENDATION

Summary of Report

This report presents the Gascoyne 2050 Cycling Strategy and Action Plan for consideration by Council. It is recommended Council endorse the Strategy and Action Plan for future budget and planning considerations.

Background

The Department of Transport’s (DoT) Western Australian Bike Network (WABN) Plan 2014-2031 includes a key action to develop long-term cycle strategies for Perth and Regional WA. DoT have identified the need for twelve cycling strategies across WA including eleven regional plans. The Gascoyne Region is one such regional plan. The aim of the strategy is to create and guide a long-term vision for cycling in the regions and deliver safe, trafficable networks that facilitate change in travel behaviour.

Stakeholder and Public Consultation

Stakeholder and public consultation was conducted throughout the process of developing this strategy by means of face-to-face, public stalls and online surveys. Consultation included those affected in both the Shire of Carnarvon and adjacent Shires in the Gascoyne region. Some local stakeholders involved in the consultation include:

- Carnarvon Community College;
- Ningaloo Surfari;

- Carnarvon Sports; and
- Various members of the public

More detail on the public consultation is in Appendix B of the attached **Schedule 1 – Gascoyne 2050 Cycling Strategy**.

Other government agencies were involved in the development of this strategy such as Department of Planning, Lands and Heritage (DPLH), Main Roads WA (MRWA), and Department of Biodiversity , Conservation and Attractions (DBCA).

Statutory Environment

- *Local Government Act, 1995 – Section 3.18 Performing Executive Functions*

Relevant Plans and Policy

CF016 – Asset Management Policy. This policy applies to infrastructure that enables services to be provided within the community and can extend into footpath and cycleway infrastructure that could grow and service the region. A main principle of the policy is to ‘ensure that Council’s services and infrastructure are provided in a sustainable manner, with the appropriate levels of service to residents, visitors, and the environment.’

Financial Implications

There are no financial implications with the recommendation. Endorsement of this strategy does not commit the Shire to delivering all, or any part of the Gascoyne 2050 Cycling Strategy.

Comments

The development of the strategy was funded by DoT but developed in partnership with Local Governments to ensure information is accurate and relevant. The strategy includes a five-year Action Plan that is intended to guide future funding efforts and align with DoT's regional network plan for infrastructure construction.

Endorsement of this strategy demonstrates region-wide collaboration for the shared vision for improved cycle networks across WA. The Shires of Exmouth, Upper Gascoyne and Shark Bay have all provided direction and cooperation in developing this strategy for the Gascoyne region. These Shires will also be considering endorsement of the Gascoyne 2050 Cycling Strategy in the near future.

OFFICER'S RECOMMENDATION

That Council, by simple majority, pursuant to Section 3.18 of the Local Government Act 19905, resolves to endorse the Gascoyne 2050 Cycling Strategy including the proposed action plan for future planning, budget and grant application consideration.

9.1 NOTICE OF MOTION - CONTINUING PROFESSIONAL DEVELOPMENT - CR PAUL KELLY

File No:	ADM2271
Author(s):	Paul Kelly, Councillor
Declaration of Interest:	Financial
Voting Requirement:	Simple Majority
Schedules:	Nil

Background:

This matter relates to elected member Cr Paul Kelly seeking to undertake Continuing Professional Development by completing the **WA Diploma of Local Government (Elected Member) 52756WA**.

The **WA Diploma of Local Government (Elected Member) 52756WA** has been designed specifically to meet the skills and knowledge requirements of an Elected Member's role in Western Australia. The Diploma is suitable for elected members who have completed WALGA's Council Member Essentials Training and wish to further increase their knowledge and skills to support their role as defined in the *Local Government Act 1995*.

In terms of **EME003 – Elected Members Induction, Professional Development, and Conference Attendance Policy**, the Shire supports the ongoing professional development of Elected Members, particularly in relation to roles, responsibilities, interests, individual conduct, and meeting procedure. Elected Member training is available to Diploma level through WALGA and, where possible, Elected Members will be supported to complete the training.

Statutory Environment:

Division 10 of the Local Government Act 1995 prescribes the requirement for the training for Elected Members, including the requirement for a Council policy to guide decisions regarding training.

Relevant Plans and Policy:

EME003 - Elected Members Induction, Professional Development, and Conference Attendance Policy

Financial Implications:

The WA Diploma of Local Government (Elected Member) program cost is as follows:

- Option One: A once off upfront payment of \$10,170; or
- Option Two: \$1200 per unit for the 12 units (GST exempt)

The allocation for Elected Member training in the 2023/2024 was \$25,000. To date \$6,680 has been spent on the mandatory training for Councillors elected in October 2023 and in-house training delivered by Steven Tweedie. The current unspent balance in the Elected Member training budget \$18,300.

Risk Assessment:

Community & Strategic Objectives:

Corporate Business Plan – Supporting functions.

Support thoughtful and timely decision making through high quality agendas, transparency, informing and professional development.

Elected Members Comment:

The benefits in supporting of a motion by one of our elected members to pursue the WA Diploma of Local Government (Elected Member) 52756WA. This qualification holds immense value not only for the individual seeking it but also for the Council and the community we serve. Below are several key reasons why supporting this application is in the best interest of all stakeholders involved:

- **Enhanced Governance Skills:** The WA Diploma of Local Government equips elected members with a comprehensive understanding of governance principles, legal frameworks, and ethical considerations pertinent to their roles. By undertaking this qualification, our elected member will gain invaluable insights into governance best practices, ensuring that decision-making processes within the Council are conducted with utmost professionalism, transparency, and accountability.
- **Strategic Leadership Development:** Effective leadership is essential for driving positive change and achieving the Council's strategic objectives. Through the Diploma program, our elected member will develop advanced leadership skills, including strategic planning, stakeholder engagement, and conflict resolution. These competencies are crucial for fostering collaborative relationships within the Council and empowering our elected member to effectively represent the interests of our community.
- **Improved Decision-Making:** The complexities of local government operations require elected members to make well-informed decisions that reflect the needs and aspirations of the community. By undertaking the Diploma program, our elected member will acquire the necessary knowledge and analytical skills to assess policy options, evaluate risks, and make evidence-based decisions. This will ultimately contribute to more robust and informed decision-making processes within the Council.
- **Professional Recognition:** Obtaining the WA Diploma of Local Government demonstrates a commitment to professional development and excellence in governance. It signifies to the community, stakeholders, and fellow elected members that our Council is dedicated to upholding the highest standards of governance and leadership. Furthermore, having a qualified elected member enhances the credibility and reputation of the Council, reinforcing public trust and confidence in our ability to serve the community effectively.
- **Long-Term Benefits for the Community:** Investing in the professional development of our elected members is an investment in the future prosperity and well-being of our community. By equipping our elected member with the skills and knowledge gained through the Diploma program, we are laying the foundation for sustainable development, effective governance, and enhanced community engagement. The benefits of this investment will be felt across various areas, including infrastructure planning, service delivery, and community engagement initiatives.

In supporting the motion, we demonstrate our commitment to fostering excellence in governance, empowering our elected members, and ultimately, serving the best interests of our community.

Officer Comment
