The Shire of Carnarvon acknowledges the Yingarrda people as the Traditional Custodians of this land which we work and live on. We pay our respects to their Elders past, present and future and extend this respect to all Aboriginal people and their ongoing connection to this Country.

From the Shire President

EDITION 58 - JULY 2022

SHIRE PRESIDENT'S MANTRA

President Eddie Smith

*Stabilise our financial position
Improve our town and surrounds amenity
Fix what we got!*

Meet the Shire President

Do you have a Shire issue that you wish to discuss or may have a great idea for Carnarvon? The Shire President extends an invitation to members of the public to meet with him to discuss your issues or ideas. Please note that these meetings will be by appointment only. The Shire President will be available every Friday between the hours of 9.00am to 12 noon. If you would like to catch up with the Shire President please contact Dannielle Hill at the Shire Offices on 99410050 or by email at hill.d@carnarvon.wa.gov.au

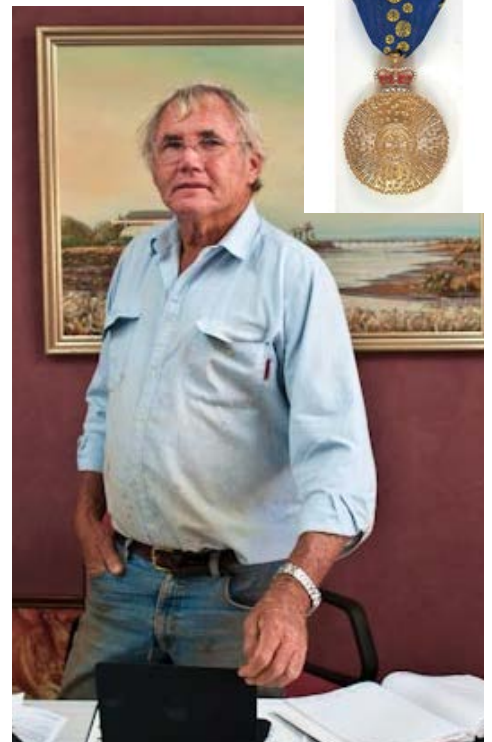

The Shire President looks forward to meeting with you.

Congratulations!

On behalf of myself, Councillors and the residents of the Shire of Carnarvon, I would like to congratulate Mr Dudley Maslen (ex Shire President) who has been awarded the Order of Australia Medal in the Queens Birthday 2022 Honours List. Dudley is a well deserved recipient of this prestigious award and is honoured by many of his achievements.

MEDAL (OAM) OF THE ORDER OF AUSTRALIA IN THE GENERAL DIVISION

GENERAL MANAGER, COORALYA STATION, 1973-1986 AND MANAGER, 1970-1973.
PARLIAMENT OF WESTERN AUSTRALIA
MEMBER FOR GASCOYNE, 1987-1989.

BLOWHOLES UPDATE

I am taking the opportunity to provide an update to the community on the progress your Shire Council is achieving in implementing the 2014 Blowholes Reserves Management Plan.

Now is a good time to put a stop to these incorrect statements and accusations on Councillors and Staff which I consider to be totally disrespectful and damaging for the Council and our community. There are some rumours being relayed throughout the community which are hard to comprehend. For example, an unsubstantiated rumour that Council has given RAC an offer for them to construct a 500 bed Caravan Park on the Blowholes Reserve. I can vehemently deny and advise the Community that this is in fact untrue and that Council has had no communication with the RAC in any regard whatsoever in relation to a caravan park.

Council continues to work closely with the Department of Planning Lands and Heritage (DPLH) on an amendment to the Plan to recognise a safe and suitable site for the proposed new Chalets that is compliant with Aboriginal Heritage, Coastal and Land planning requirements. It must also be noted that the Blowholes Protection Association (shack owners) endorsed the 2008 Master Plan which then lead to the development of the 2014 Management Plan to deliver the Master Plan.

In conjunction with this, Council has issued demolition orders on the remaining twenty two squatter shacks, unfortunately the shack owners have taken Council's decision to apply the building orders to the State Appeals Tribunal (SAT). Aside from being a financial burden on your Council, this may hold up the process of implementing the plan. I must also thank those Shack owners that have removed their shacks and cleaned up the sites.

Your Shire Council is committed to implementing the 2014 Master Plan to ensure our whole community and visitors have the opportunity to enjoy and share what the Blowholes Reserve has to offer in a fair and equitable manner.

In the meantime if you are provided with any information that may cause a concern, please contact myself on 0438 911 465 or your Councillors for the facts.

Kind Regards

Cr Eddie Smith
SHIRE PRESIDENT

DIFFERENTIAL RATES FOR 2022/2023 TO BE SENT TO MINISTER FOR APPROVAL

As part of the 2022/2023 budget process, Council is required to endorse proposed differential rates for properties valued on an unimproved basis. The proposed differential rates presented here represent an approach to setting rates where rates are levied that reflect associated costs of providing infrastructure and services to the various ratepayers.

Differential rates have been applied to three groups of unimproved properties and range from 2.7126 cents in the dollar of valuation, to 25.9827 cents in the dollar of valuation.

The purpose of levying rates is to meet Council's budget requirements in each financial year and enables Council to raise the revenue necessary to provide facilities, infrastructure and services to the entire community and visitors of the Shire of Carnarvon.

The rates levied on properties are determined by applying the rate in the dollar to the applicable valuation amount of the properties within the district, and if applicable, applying a minimum rate. The Shire applies a minimum rate to each rating category in accordance with S6.35 of the Act, to ensure that properties with a low valuation still pay a fair and reasonable amount towards the maintenance and continuity of Shire infrastructure and services.

The method of land valuation (GRV or UV) is determined by the Minister for Local Government, Sports and Cultural Industries (the Minister) with individual valuations being provided to the Shire by the Valuer Generals Office (VGO) as part of Landgate. Valuations were revised both upwards and downwards on properties in the past weeks for Intensive Horticulture and upwards on some Mining properties.

The power to set differential rates is contained in the Local Government Act 1995 section 6.33 (1) which provides the ability to differentially rate properties, based land characteristics.

Council are seeking approval from the Minister to impose differential rates as follows -

Category	Rate of cents in the \$	Minimum Rate
UV Mining	25.9827	\$450
UV Pastoral	11.8312	\$1,228
UV Intensive Horticultural	2.7126	\$1,228

FEES AND CHARGES AMENDED IN THE INTERIM

Each year, as part of the budget process the Shire's Fees and Charges are adopted. However due to rapidly rising inflation and costs to the Shire of doing business, an interim amendment is necessary. This will amend the current Fees and Charges from 4pm on 30 June 2022, and be in force until the 2023 Fees and Charges Schedule is adopted with the 2022/2023 budget.

No new Fees and Charges are proposed with the amendment. New fees and charges may only be imposed if they are advertised. The 2022/2023 Budget is proposed to be adopted in the next few months. New fees and charges will be presented to Council at that time for adoption with the budget.

To see the amendments refer to Council's website at www.carnarvon.wa.gov.au

COUNCIL CONSIDER REQUEST TO CLOSE PUBLIC ACCESSWAY IN HAMMOND STREET

The Shire received a request from a property owner, to close the Public Access Way (PAW) adjacent to his property at Lot 3 (7) Hammond Street.

A Customer Feedback Form to the Shire on 5th January 2022 advised of anti-social behaviour occurring in the PAW that runs beside his property in Hammond Street and he has requested closure of the PAW and indicated willingness to purchase and amalgamate the PAW with his property at Lot 3 (7) Hammond Street.

If the PAW was to be closed, this would deny the opportunity for these properties to be further subdivided in the future due to a lack of access to the newly created lots. Formal closure of the PAW was therefore denied.

As a preventative measure, concrete bollards will be placed at the entry and exit.

COUNCIL APPROVES A TEMPORARY OVERFLOW CAMPING SITE AT CARDABIA STATION

In April 2022 the Shire received an application to use subject land for temporary overflow camping when no sites are available in Coral Bay, with the aim to alleviate a recurring problem in Coral Bay during peak times and to provide an opportunity for visitors to the area to experience the activities associated with an Indigenous Pastoral Station, as well as to meet the local Aboriginal residents.

Up to 60 caravans will be allowed in an area of approximately 1.4ha in size. The camping area will be on the old airstrip, which is a bare salt-flat. Existing access tracks will be used with no requirement to clear native vegetation.

The proposal is that no infrastructure be provided other than a site to park a caravan. All campers will be required to be self-contained and supplied, including waste management. A local camp host from Cardabia Station will maintain contact with overflow campers daily to ensure order and waste management are being complied with and camping fees are collected.

The additional revenue will assist the BAC to manage its commitments with the Station and make improvements to existing infrastructure.

The applicant has also applied to the Pastoral Lands Board for a diversification Permit.

The proposed use of the land is considered acceptable given the zoning of the land and the location being a cleared area with existing access. The proposed location of the overflow camping is also outside of the Coral Bay Settlement Structure Plan and, therefore, not bounded by it. However, the following matters must be addressed in the permit to ensure proper management of the camping area:

- Provision of a camp host;
- Provision of a waste dump point;
- Provision of a fire extinguisher;
- Limit the number of caravans to visit the camping site; and
- The inclusion of a general amenity condition to ensure the camping area is kept neat and tidy at all times.

HOUSE OWNER ORDERED TO DEMOLISH HOUSE GETS EXTRA TIME

The house in question was declared unfit for habitation due to significant damage. A section 137 notice under the Health (Miscellaneous Provisions) Act 1911 (the Act) was issued on 29 April 2022 ordering the house to be securely boarded up within 14 days, and taken down and removed within 60 days.

The house was boarded up as required in the notice and the owner contacted the Shire to propose repair instead of removal but requests additional time to commit to a repair date due to their current circumstances.

Section 137 of the Act provides that the local government can order such a house be removed or repaired within a timeframe and that any owner aggrieved by such a notice can apply to the State Administrative Tribunal for a review of the decision.

Section 140 of the Act provides that if the notice is not complied with within the time specified, the local government can carry out the terms of the notice and recover all expenses from the owner.

Section 371 of the Act provides that the "amount due to the local government in respect of such work may be recovered from the owner in any court of competent jurisdiction, and until paid shall be and remain a charge upon the land."

Given that the house has been securely boarded up in the timeframe nominated by the notice there is no objection to the house being repaired instead of demolished. Further, there is no objection to a temporary stay on the demolition of the house to allow the owner time to finalise refurbishment plans.

Council agreed to -

1. Defer enforcing demolition of the house at property #1288 as ordered under section 137 of the Health (Miscellaneous Provisions) Act 1911 until 31 December 2022 subject to the house remaining securely boarded up and the property kept in a tidy condition, and;
2. Require the owner to provide a refurbishment plan to the Shire by no later than 29 November 2022.\

AVIATION OPERATORS TO RECEIVE A WARNING

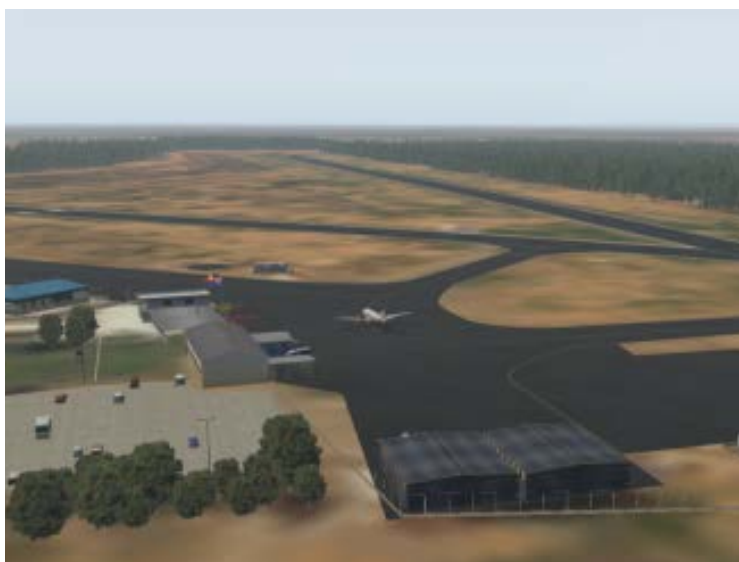

Council has endorsed the issuing of a formal and final warning to all Aviation Operators at Carnarvon Airport being in breach of safety compliance requirements with further breaches to result in removal of airside access for that operator and/or lease termination.

This decision has been brought about by an Aviation Operator who has, on multiple occasions, breached safety compliance requirements at the Carnarvon Airport.

Breaching safety compliance requirements and not following reasonable instructions of airport staff are therefore breaches of the existing lease conditions and place the lessee in default of that lease. Reconsideration of the offer to negotiate the new lease is also an available penalty mechanism.

Council were asked to consider the ongoing nature and extent of the airside breaches and the impact on staff resources. Staff have gone above and beyond reasonable measures as the Airport Owner to ensure compliance without success.

Requirements to always display correct airside identification and to wear hi visibility clothing is neither onerous nor unusual for airside access to airports. Targeting of the operator by airport staff is unsupported. Another Carnarvon airport operator has verbally and in writing reported the Airport Operator in question for not following the simple airside rules that are applicable to themselves. There is a documented clear pattern of noncompliance from the Airport Operator.

WALGA ADVOCACY POSITION ON ARRANGEMENTS FOR MANAGEMENT OF VOLUNTEER BUSHIRE BRIGADES

The State Government is currently drafting the Consolidated Emergency Services Act (CES Act), which consolidates the Fire Brigades Act 1942, Bush Fires Act 1954 and Fire and Emergency Services Act 1998 into a single piece of legislation, anticipated to be released as a Green Bill for consultation in early 2023.

Under the Bush Fires Act 1954, Local Governments have responsibility for bushfire and the management of volunteer Bush Fire Brigades (BFBs). 111 Local Governments manage 563 BFBs involving approximately 20,000 volunteers which was assisted by the Bushfire Board of Western Australia

DFES provides strategic leadership for emergency services across WA. DFES manages the career fire and rescue service, as well as several volunteer emergency services such as:

- Volunteer Fire and Emergency Services (VFES);
- Volunteer Fire and Rescue Service (VFRS);
- State Emergency Services (SES); and
- Marine Rescue Western Australia.

WA is the only State in Australia in which Local Governments manage bushfire volunteers (pursuant to the Bush Fire Act 1954).

Under the Work Health and Safety Act 2020, for Volunteers and Volunteer Organisations, the Shire is responsible for all the volunteers within the Bush Fire Brigades. The Shire is required to ensure that all the Fire Control Officers (FCOs) and Bush Fire volunteers have undertaken the required training to allow them to perform the role safely.

There are very significant fines that now apply to local governments and criminal charges may be imposed on executive staff should they fail in their duty of care under the new WHS Act 2020. A significant increase in the maximum fine is now applicable to executives along with a 20-year jail term. The local government body is now subject to an uninsurable fine up to \$10M.

The proposed Advocacy position by WALGA is in line with the Shire's direction and reflects the Shire's concern in managing its Bush Fire Brigades Volunteers and the new WHS as well as the ability and the capacity for the Shire to take on the responsibility.

Council endorses the WALGA proposed Advocacy Position to the State Government in addressing this issue as part of its consolidated review of the Emergency Services Act.

COUNCIL TO HOST THE GASCOYNE GAMES 2023

The Gascoyne Games is a multi-sport games event that has occurred in the Western Australian administrative region of Gascoyne since the inaugural event held in 1994 in the Exmouth township. The organizers of the Gascoyne Games since that first event have been one of the four local governments in the region: Carnarvon, Exmouth, Shark Bay, and Upper Gascoyne.

The intention of timing for the hosting of the Games was for it to be held every second year and coordinated and organized by a different local government through a rotation process. Carnarvon previously hosted the Gascoyne Games in 2015 with Shire staff coordinating the organization of the Games with assistance from community volunteers on the organizing committee. Participating sports organizations are responsible for coordinating the competition aspects of their sport during the weekend of the Games.

The Shire of Carnarvon conducted a survey with the sporting clubs/organizations of Carnarvon to understand the best month of 2023 to hold the Gascoyne Games and to gauge an expression of interest for participating sports. We received a total of 15 expression of interest's and October 2023 was on average the chosen month.

The objective of the Gascoyne Games is to build intra-regional spirit by uniting the Gascoyne community through a weekend participation in various sporting and recreation activities. It will provide opportunities for each town in the Gascoyne region to position and market themselves in staging the games, providing development opportunities and increasing the participation of people in sport and recreation living in the Gascoyne region.

The following Carnarvon sporting groups have indicated an interest in participating in the 2023 Gascoyne Games:

- Carnarvon Pistol Association
- Carnarvon Golf Club
- Norwest Boardriders (Surfing)
- Carnarvon Gun Club
- From Dust Creative Arts (Dance)
- Carnarvon Soccer Club
- Carnarvon Speedway Club
- Carnarvon Rugby Union Club
- Carnarvon Men's Darts Association
- Carnarvon Tennis Club
- Carnarvon PCYC (Volleyball)
- Carnarvon Ladies Darts
- Carnarvon Bowling Club
- Carnarvon Yacht Club
- Gascoyne Football Association

LOCAL CONTRACTOR AWARDED THE AQUATIC CENTRE MANAGEMENT CONTRACT

The Carnarvon Aquatic Centre is a community facility that not only provide an important recreational aspect The Carnarvon Aquatic Centre is a community facility providing an important venue for sport and recreational activities.

The current contract for management of the Carnarvon Aquatic Centre expires at the end of August 2022. The new season for the centre will commence in late September/October 2022.

A request for tender seeking management services for the Aquatic Centre was advertised in The West Australian and the Midwest Times on Wednesday 16 March 2022.

Acceptance of the tender submission received is a substantial increase in the management cost of the facility. To offset that increase, the tenderer is proposing the following as increase to the level of service:

- A minimum of three trained and qualified duty managers to ensure adequate supervision can always be provided accounting for contingency situations.
- An offer to review the contract price with the Shire after 12 months of operation.
- An offer to undertake a limited hours trial for an extended season in the months of May and Sept 2023. This would include a 3pm to 6pm slot 3 days a week for Lap swimmers, Aqua aerobics and Swimming club, with removal and replacement of covers before and after ensuring the water stays mostly warm.

The current Aquatic Management contract is for approximately \$200,000 per year. That price has been maintained for the past 6 years.

Based upon the recommended submission pricing, total estimated cost to manage the Aquatic Centre now is \$300,000 per year.

Council agreed to award the contract to BTX Contracting for a period of 3 years.

SHIRE AND MARKET CREATIONS CELEBRATE THE SHIRE OF CARNARVON AS THE 100TH WALGA CONNECT WEBSITE SUBSCRIBER

A small function was held in Council Chambers on Monday 13 June 2022 to recognise the Shire of Carnarvon as the 100th subscriber to the WA Local Government Association's Council Connect which is a website hosting portal for local governments in WA.

Council Connect is an innovative and modular subscription service developed specifically for local government. To date, more than 100 individually designed websites have been successfully deployed through Council Connect to 80 local government subscribers with the Shire being the 100th.

Council's new website went live on 18th May 2022.

TEMPORARY CLOSURE OF GNARRALOO-WARROORA TRACK

Gnarraloo Bay to Warroora Station

In accordance with the Local Government Act 1995 S. 3.50 and by resolution of Council, the Shire of Carnarvon advises that the coastal track from Gnarraloo Bay to the southern boundary of Warroora Station is temporarily closed for a further three months or until water levels have subsided sufficiently to allow access.

The closure is due to tidal water inundation rendering the crossing at Amherst Point 'lagoon' impassable to all vehicles. Regular inspections by Shire Officers will take place and the track reopened when the water level has subsided and the crossing is considered safe for 4WD vehicles to cross.

Stay up to date with the latest in Shire road conditions at: <https://www.carnarvon.wa.gov.au/roadreport/>

YEAR 4 STUDENTS LEARN ALL ABOUT LOCAL GOVERNMENT

Year 4 students from St Mary's Catholic School visited Council Chambers on Thursday 2nd June to learn all about local government and in particular, what the Shire of Carnarvon does for the community. The students also learnt about the different services the Council provides and how decisions are made at Council Meetings.

The Chief Executive Officer, Ms Andrea Selvey, spoke to the students about the roles that the Shire President and Councillors play in local government. The students had numerous questions to ask and at the end of the session, the students were gifted a Shire 'show bag'.

The students left the Chambers with a better understanding of what local government is and how the Shire of Carnarvon contributes towards the community with the provision of services and infrastructure.

REGIONAL ROADS UPDATE

- Maintenance grading was completed on Quobba-Gnaraloo Road after damage from some heavy falls.
- Grading is currently occurring at the Carnarvon airport with the plan to move to some South Roads after completion of that work.
- Bitumen resealing commenced on Sunday 12th of June. Roads included in these works are sections of Carnarvon-Mullewa Road and a number of town streets and parking bays.

2021 Flood Damage Works:

- Contractors QEM have worked on a range of Carnarvon Roads including Miaboolya Beach Road, One Tree Point Road, Bibbawarra Road, Blowholes Road shoulders and Carnarvon-Mullewa Road shoulders.
- Contractors THEM have mobilised and commenced work on the Minliya-Lyndon Road. Only minor progress has been possible to date due to the wet conditions, but we are confident given the current conditions they will now be able to make a full start. Their initial work is reconstruction and re-sheeting of approximately 5km of the road around 40km from the highway.
- Exmouth Civil mobilised equipment to Middalya to work on Minilya River Crossing reinstatement and upgrade works. Again, water in the river has delayed commencement on the ground. Exmouth Civil will be repairing undermined and cracked sections of the concrete crossing and will be installing a concrete edge wall along the upstream side of the crossing. At this stage it is hoped work will start next week as water in the river continues to drop.
- Contractor Onward Drilling has continued sinking bores in the northern region and are now towards the end of Minilya-Lyndon Road. They have had mixed results with 4 successful and 5 unsuccessful bores which were dry or with water of too little quality to benefit the project.

2022 Fires

A debrief is scheduled at the Shire Chambers for Wednesday 20th July for all affected and neighbouring properties of the Gascoyne Complex Fires at the start of the year.

The meeting will provide opportunity to discuss the situation with the Shire and DFES, as well as review plans for the upcoming summer which is already fuelled up with the rain we've been having. Please register your interest via email to the Community Emergency Services Manager, Mick Antony at Antony.M@carnarvon.wa.gov.au.

POTENTIAL NEW WASTE SITE CORAL BAY

Shire President, Cr. Eddie Smith and CEO, Andrea Selvey had opportunity to meet with Paul Baron, chair of Nganhurra Thanardi Garrbu Aboriginal Corporation (NTGAC) and Hazel Walgar, elder and board member of NTGAC, in Coral Bay recently to have a look at a potential waste site.

Coral Bay is in much need of a new waste facility and the support and interest from Mr. Baron and Ms. Walgar in securing a new site is very much appreciated.

"It was fantastic to meet with Paul and Hazel, the Baiyungu traditional Aboriginal owners of the Country, their feedback around the use of this site for a potential waste facility was invaluable as this facility will be of benefit for the community of Coral Bay," said Shire President, Cr Eddie Smith.

CAMEL LANE LONG VEHICLE PARKING WORKS

Work has nearly been completed on the construction of Long Vehicle Parking Bays adjacent to the Carnarvon Visitor and Civic Centre on Camel Lane. More works are to be carried out and include the addition of a shade shelter, seating, water filling station and landscaping. This project is funded by the Federal

Government's Local Roads and Community Infrastructure program. The completed project hopes to improve access encouraging long vehicles to our central business district.

CARNARVON COMMUNITY JURY PRESENTS THEIR RECOMMENDATIONS TO COUNCILLORS

After three weeks of hard work and dedication, the Community Jury have been working on the Carnarvon Community Strategic Plan which will guide our direction for the next 10 years. It was exciting for the members of the Community to present their report to Council. Our Shire President Eddie Smith thanked the Jury members on behalf of Council and expressed Council's appreciation for their efforts and dedication to the community.

SHIRE'S YOUTH STRATEGY OUTLINES STRATEGIES TO DEVELOP AND SUPPORT YOUNG PEOPLE

The Shire of Carnarvon tabled the Youth Strategy Plan 2022-2025 at a recent Council Meeting, seeking formal consideration to move to implementation. The plan has been in development by the Shire and is built around 4 key priorities with the objective of supporting and developing Youth, Governance, Safety, Health and Wellbeing, Participation and Leadership, and Learn and Work. We recognise that young people in our community are its future leaders, and we have a responsibility to support and develop them," says Shire President Eddie Smith.

WHO LOVES THE OUTDOORS?!

The Shire of Carnarvon are very excited to announce that we have been successful in grant funding through the Department of Local Government, Sport and Cultural Industries Outdoor Active Recreation Participation Program for a Bushwalking on Country Project.

This project aims to upskill and engage community members of all abilities and demographics to become hiking and bushwalking leaders on Country with the focus on Aboriginal storytelling of the history and heritage of the region. More information to come.

Pictured is Kristine who is feeling pretty excited about this project! Get in touch with her if YOU would like to be involved.

SHIRE STAFF DIG DEEP AND RAISE MONEY FOR CANCER RESEARCH

Shire staff held a "Biggest Morning Tea" on Wednesday 22 June to help raise funds for Cancer Awareness.

Money from the fundraising of "Biggest Morning Teas" held around the nation are used for research, support and prevention.

Research - investment in research has helped increase cancer survival rates from 49% in the 1980s to 69% today. Because of research, more people are surviving cancer than ever before. And every day, brilliant Australian researchers are working to unlock more of cancer's secrets.

Support - Almost 150,000 Australians are diagnosed with cancer every year. That's 150,000 families who need practical information and support. Our cancer nurses and trained volunteers on 13 11 20 help them understand treatment options, prepare for medical appointments, and organise legal and financial advice.

Prevention - One third of all cancers can be prevented, with cancer prevention being one of the most effective ways we can create a cancer free future. Funds raised from Australia's Biggest Morning Tea are helping to empower Australians to reduce their cancer risk by funding world-leading prevention campaigns. This includes encouraging participation in cancer screening programs and providing education on healthy lifestyle choices through programs like SunSmart.

ATTRACTION FOR REGIONAL CHILD CARE WORKERS

The Shire of Carnarvon are delighted to have been successful in grant funding from the Department of Communities through the Attraction and Retention Packages for Regional Child Care workers Program for an Advancing Early Years Futures Project.

This project will work in close collaboration with Granny Glasgow Education and Care to implement attraction and retention packages in an aim to aid the significant challenges the centre is experiencing with attracting and retaining suitably qualified and experienced employees to be able to operate at full capacity.

The team at Granny Glasgow's are excited to be able to now attract employees to our beautiful town of Carnarvon.

Congratulations to Christine Toussaint Newah, the newly appointed Supervisor Director of Granny Glasgow's. Pictured below, she comes with much experience and knowledge in the child care industry.

We look forward to working closely with Christine from Granny Glasgow's in this project.

LOCAL COMMUNITY GROUPS BENEFICIARIES OF FUNDS FROM THE SHIRE OF CARNARVON COMMUNITY GROWTH FUND

At a recent meeting of the Community Growth Fund Committee, Members considered submissions as part of the the CGF.

For the June round, the following groups were successful -

- Norwest Boardriders for \$5,000
- Carnarvon Golf Club for \$2,500
- Church of Christ Carnarvon Inc for \$1,000
- Carnarvon Tennis Club for \$1,000

Previous to this, in February 2022 the following groups received a 50% rates concession -

Name/Club	Discount	21/22 Rate	Concession Rate
Gascoyne Memorial Foundation	50%	\$8,708.29	\$4,354.15
Gascoyne Memorial Foundation	50%	\$38,568.61	\$19,284.31
Carnarvon Pistol Association	50%	\$1,158.58	\$579.29
Carnarvon Motorcycle Club	50%	\$1,158.58	\$579.29
Carnarvon Rifle Club	50%	\$1,158.58	\$579.29
Carnarvon Horse and Pony Club	50%	\$1,158.58	\$579.29
Carnarvon Speedway Club	50%	\$1,421.40	\$710.70
Carnarvon Heritage Group	50%	\$1,523.44	\$761.72
The Gascoyne Lodge of Freemasons (Masonic Lodge)	50%	\$2,001.60	\$1,000.80
Carnarvon Arts and Crafts Workshop	50%	\$2,154.50	\$1,077.25

It is to be noted that there will be no further Rates Donations from Community Growth Fund and encourages Community Clubs to apply for alternate grants available, including the Shire of Carnarvon's Community Growth Fund Small Assistance Donations.

In May 2022, the Committee considered funding for Major and Iconic Events and the recipients were -

- Carnarfin Fishing Competition for 2022/2023 - \$10,000
- Carnarvon Windfest for 2022/2023 - \$10,000
- Gascoyne Food Festival 2022 - \$10,000

PUBLIC NOTICE

REMOVAL OF WHITLOCK ISLAND SHELTER

Andrea Selvey
CHIEF EXECUTIVE OFFICER

(08) 9941 0000 shire@carnarvon.wa.gov.au www.carnarvon.wa.gov.au

Removal of the Whitlock Island Shelter at the western end of the Tramway Bridge commenced Wednesday 29 June 2022.

The shelter is corroded beyond repair and is no longer in a usable condition with damaged seats and structural concerns. The contractor completing the works is required to fence off a significant area around the shelter to ensure the safety of the public during the work. Unfortunately, this will prevent pedestrian access beyond the Tramway Bridge.

Works are expected to be completed no later than Monday 4 July. We apologise for any inconvenience this may cause.

SHIRE CREW ARE AMAZING!

A very big thank you to the Shire Parks and Gardens crew for their dedication in making sure the parks and gardens around town are looking amazing and the Work Crew for all their hard work maintaining footpaths, roads and infrastructure.

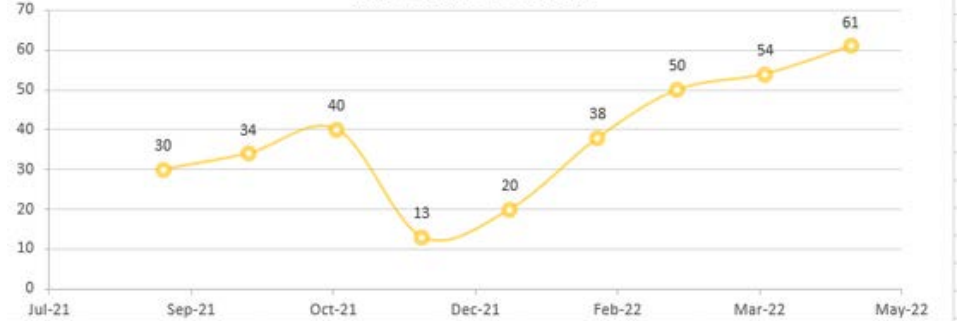

CUSTOMER SERVICE REQUESTS - MAY 2022

All customer service requests that are emailed through to our customer service email are automatically registered and referred to the relevant Department for their attention and action. Each CSR is monitored with every effort made to have the request answered within 10 working days. If enquiries require further research that may take longer than 10 working days, customers will be advised in writing (email) of the enquiry's status and expected resolve time frame.

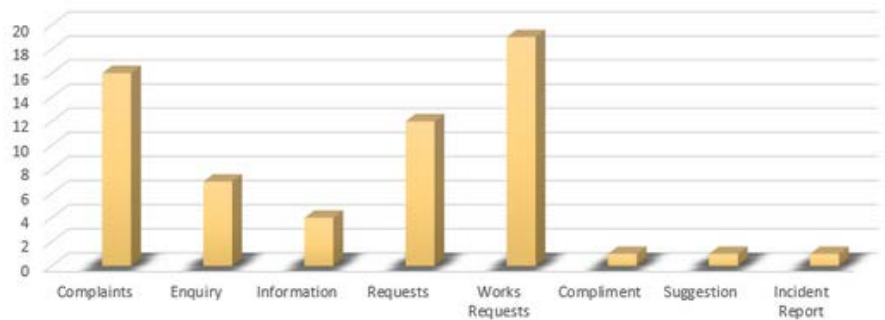

A monthly report is submitted to Council indicating how many requests have come through, the time period it has taken to respond and requests for each Department within the organisation. A breakdown of the information submitted to Council for May appears below.

If you have a request, please direct them to -
shire@carnarvon.wa.gov.au

RESIDENTIAL VERGE SIDE COLLECTION JULY 2022

The Shire of Carnarvon will be providing a free verge side pickup of  **GREEN WASTE & BUILDING WASTE** (such as branches, timber, fencing and roofing iron)

TO MAKE IT SAFE FOR OUR COLLECTORS, PLEASE ENSURE THE FOLLOWING IS MET:

- Items do not exceed 2.0 meters in length, 40kg in weight or 100mm in diameter
- Green waste is separated from Building waste and neatly stacked
- Items to be collected are not to obstruct any part of the footpath, driveway or road
- Items are to be placed out the day before or by 6am on the day of collection
- Includes residential premises in the plantation areas
- Excludes commercial & industrial properties, caravan parks

Items will not be picked up if they are on vacant blocks or don't meet the above requirements

IF YOUR RUBBISH COLLECTION DAY IS

YOUR VERGE SIDE COLLECTION WILL BE

Friday	15 July	Monday	18 July
Monday	18 July	Tuesday	19 July
Tuesday	19 July	Wednesday	20 July
Wednesday	20 July	Thursday	21 July
Thursday	21 July	Friday	22 July

ITEMS THAT WILL NOT BE COLLECTED

 Car bodies, parts or tyres
 Household furniture
 Gas bottles
 Crop material
 White Goods (such as dryers, washing machines, fridges, deep freezers)
 Asbestos*
 Sand, rubble, bricks, rock or cement products
 Liquids (such as paint or oil)
 Broken glass
 Large logs or wood stumps
 Chemicals* (such as chemical drums or pesticides)

**For information on how to dispose of these safely, please contact our Environmental Health Department*

To ensure no street is missed, each will be checked off as it's completed. Any non-compliant items or items placed AFTER the collection truck has passed, will NOT be collected and will be required to be removed by the resident to avoid incurring a litter infringement.

CAT LAWS

In December 2011 the Cat Act was passed in Parliament and came into full effect in November 2013. The laws requires all domestic cats six months and older to be -

- Sterilised
- Microchipped
- Wearing a tag in a public place
- Registered with the local Council.

Cat owners found not to be compliant with these requirements may face fines of up to \$5,000.

Sterilisation - this will prevent unwanted kittens, reduce cat numbers in shelters and save wildlife by reducing the number of feral cats in our native bushland.

Microchipping can be done locally at the Vet and helps identify your pet if it ever gets lost or injured.

Fees for registering your cat per year (in accordance with the Cat Act) are -

Cat Registration 1 year - sterilised - \$20.00

Cat Registration 3 years - sterilised - \$42.50

Cat Registration Lifetime - sterilised - \$100.00

Cat Registration if owned by Pensioner is 50% of the above rates

THINKING OF RE-HOMING A DOG OR CAT ?

All unclaimed rehomingable dogs and cats that have been impounded are assessed and rehomed through SAFE Carnarvon. They are always looking for foster carers as their resources are limited. If you would like more information, please contact SAFE on 0448 569 563.

SAFE (Saving Animals From Euthanasia)

Their mission is to save companion animals from unnecessary euthanasia through community education, fostering, desexing and placing them in suitable homes.

SAFE has set up a network of temporary carers who open their homes to abandoned animals whilst permanent homes are sought. SAFE is proactive in helping to bring about positive change in the areas which cause so many unwanted, abandoned and neglected animals, and strongly supports and promotes desexing. Through positive change, the primary goal for SAFE is to make a difference in the quality of life for companion animals and to promote their immense value to humans.

NEED A RANGER?

If you have an urgent matter that needs a Ranger's attention such as snake handling or a dog attack, the Rangers can be contacted on 99410019

Please note that this is for urgent matters only and if the matter can wait until Monday, please call during normal office hours 8.00am to 5.00pm Monday to Friday.

ART GALLERY UPGRADES COMPLETED

The major Art Gallery infrastructure works which commenced in April 2022 are now complete and timed perfectly to align with the opening of our latest exhibition Wild Garden by local Gascoyne Artists Sadie James and Jess Hadden.

Carnarvon Library and Art Gallery were successful in obtaining funding through the Regional Exhibition Touring Boost (RETB) Public Regional Galleries Improvement Fund (PRGIF) which supports arts activities through improvements and upgrades for eligible galleries.

As an eligible gallery, Carnarvon Library and Art Gallery applied for funding to support an upgrade to enhance the current environmental control system within the main exhibition space. Consultant assessments identified key recommendations, the priority being to enclose the space to reduce the volume of air and subsequently improve the capacity of the current system. This is vital for exhibitions that require specific temperature and humidity control parameters and those which are sensitive to fluctuations.

Local contractors were engaged to carry out the work, enclosing the main space with an attractive wall and glass panel design. This offers continued visual access from wherever you are in the Library Lounge area.

The newly upgraded space will now be monitored with environmental data loggers over the next six months to evaluate the success of phase one of the upgrades.

GNULLINGOO MIA VISIT ART GALLERY

The Library & Art Gallery Team welcomed Gnullingoo Mia residents and family on Thursday 16th June when they visited our latest exhibition Wild Garden by local Gascoyne artists Sadie James and Jess Hadden.

After enjoying a wander around the exhibition, it was lovely to sit and chat with local Carnarvon residents who now call Gnullingoo Mia home.

The social connection with the community and school groups is an important element of the Exhibition process in educating, inspiring and opening minds to the beauty and possibilities held therein.

We welcome and encourage community groups to make contact if they are interested in viewing exhibitions. Arrangements can then be made to ensure that a member of our team is available to offer you a guided tour of the new Art Gallery space.

Thank you Greg!

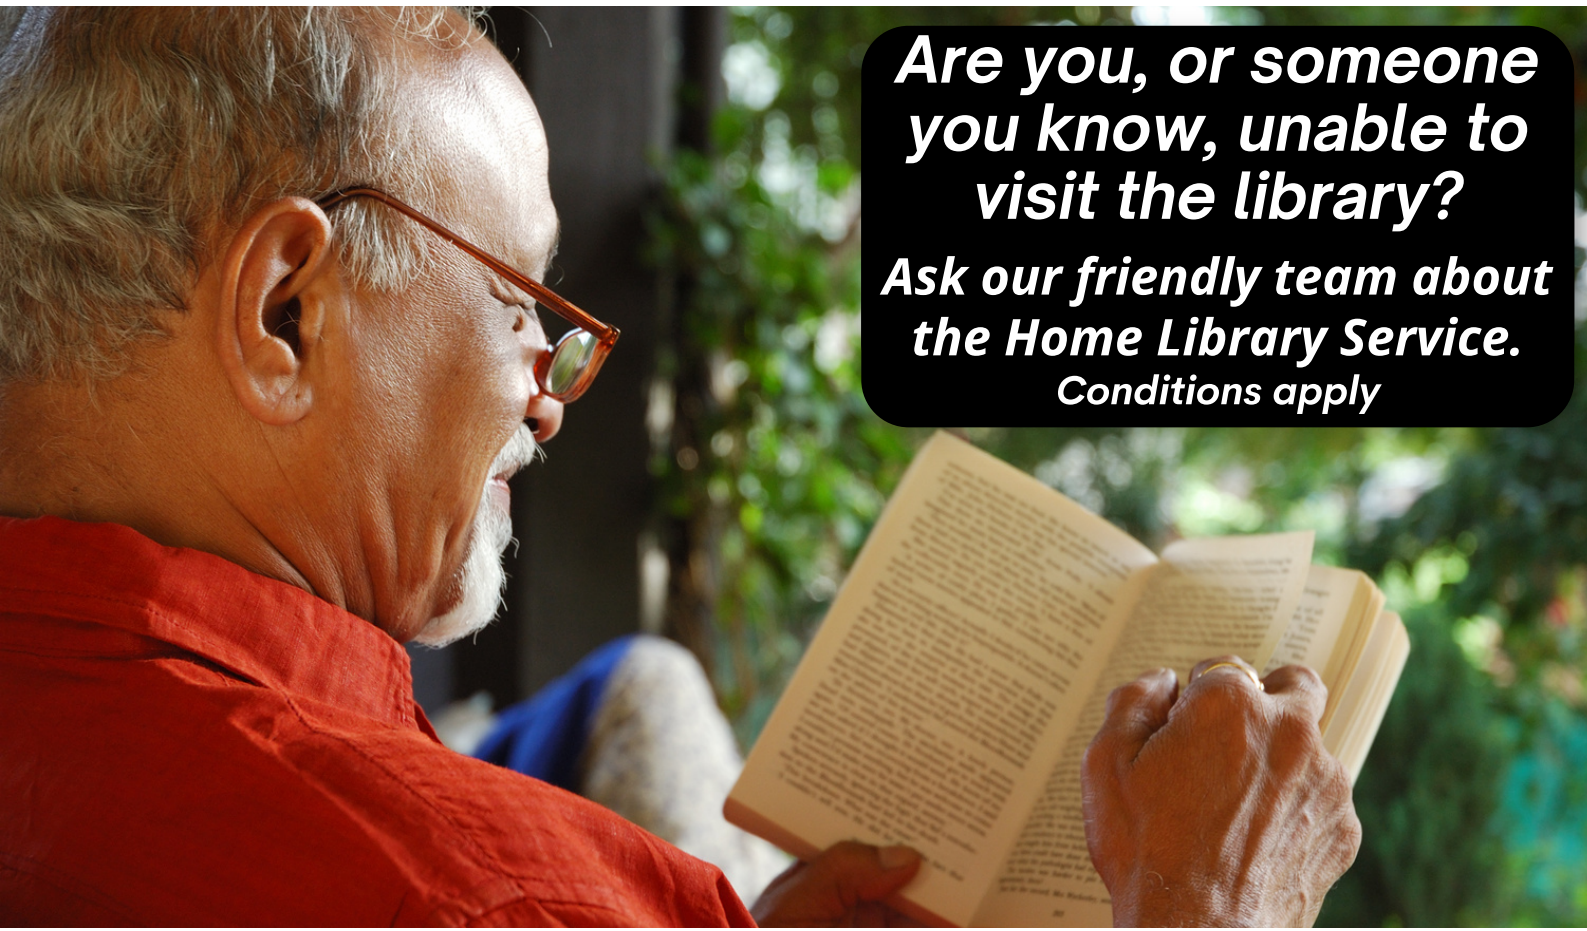

The Library & Art Gallery recently had the good fortune of working alongside visiting volunteer Digital Mentor, Greg Rusha who is in town for his annual holiday. Greg normally volunteers his services at Mundaring and Boya Libraries in the Shire of Mundaring.

Greg generously offered his support to our community between 17th and 29th June, sharing his tech skills in delivering our regular Be Connected program. On Wednesday and Friday mornings, he offered individual support sessions, covering topics such as installing phone apps, sharing photos as well as basic online access skills. His final group session during Social Media Awareness Week, focused on password security, scams and internet safety tips.

Although Greg is leaving this week, our friendly Team offer Tech Help sessions each week, so give us a call on **9941 3727** to book a session.

Greg Rusha (left) assisting patron Dugarme

Are you, or someone you know, unable to visit the library?

Ask our friendly team about the Home Library Service.

Conditions apply

RESTRICTED BURNING SEASON IS OVER

The Shire of Carnarvon's restricted burning season came to an end on the 30th April 2022. As of the 1st May 2022, you no longer need a permit to burn, however you are still required to exercise caution, manage smoke nuisance and ensure there are no plastics, chemicals, rubber, tyres or other materials that create black smoke when being burnt. Burning these materials releases toxic chemicals into the environment and can result in a penalty of up to \$5,000.

If you are unsure of what you can burn, please give Rangers a call on 99410019 and they will be happy to give you some advice.

HAZARD REDUCTION – FIRE BRIGADE ASSISTANCE

With winter coming, this is the perfect opportunity for owners to do some hazard reduction work on their properties. This can be achieved by:

- Mowing, slashing and removing long dry grass or vegetation.
- Raking or utilizing machinery to remove leaf litter and dead vegetation.
- Controlled burning is an effective way to reduce available ground fuel, however controlled burning requires considerable experience in order to be carried out safely.

If you are not comfortable in conducting a burn yourself or would like to burn a larger area on your property, the local Volunteer Fire Brigades can assist with your burns for a fee, subject to volunteer availability. Please note that this service is available on land that you own or rent only, and does not include areas adjoining your property, including road verges. All funds raised through conducting burns on private property go directly towards supporting your local volunteer fire brigades.

Engaging the brigades does not remove the landowners responsibility to adhere to the Firebreak Notice. Contact your local brigade for more information:

THANK YOU ST JOHNS - YOU ARE ABSOLUTE LEGENDS!!!

Thank you!

You can motivate by fear, and you can motivate by reward. But both those methods are only temporary. The only lasting thing is self motivation." - Homer Rice.

There are perks to volunteering. They're great.

There's fear too... Imagine no volunteers and someone you love needs an ambulance???

But the self motivation of every one of these people pictured is the backbone of Carnarvon's Ambulance service. Each of these people chose days and night that they'll sacrifice to go on the roster for 12 hours at a time. They know they can be called away from family, work, errands, plans with friends and a good night's sleep. And they do it anyway.

It's the self motivation from each of these volunteers that led Carnarvon to be a TOP THREE Finalist for Sub-Centre of the Year 2022!

We'll find out in August how we finish up, but the real winner here is the Carnarvon Community, because you have this mob of legends looking after you

CORAL BAY GOES PINK FOR A GOOD CAUSE

Residents and visitors in Coral Bay have gone all out to raise money for a very worthy cause and to bring awareness to Breast Cancer.

GO PINK brings the community together each June to make a proud pink pledge and raise funds for game-changing breast cancer research. This will help support research into effective prevention, detection and treatment of breast cancer. This much-needed research has the potential to save thousands of lives.

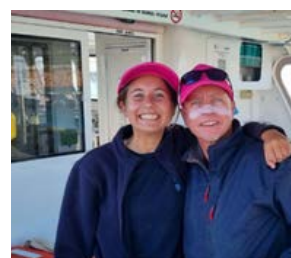

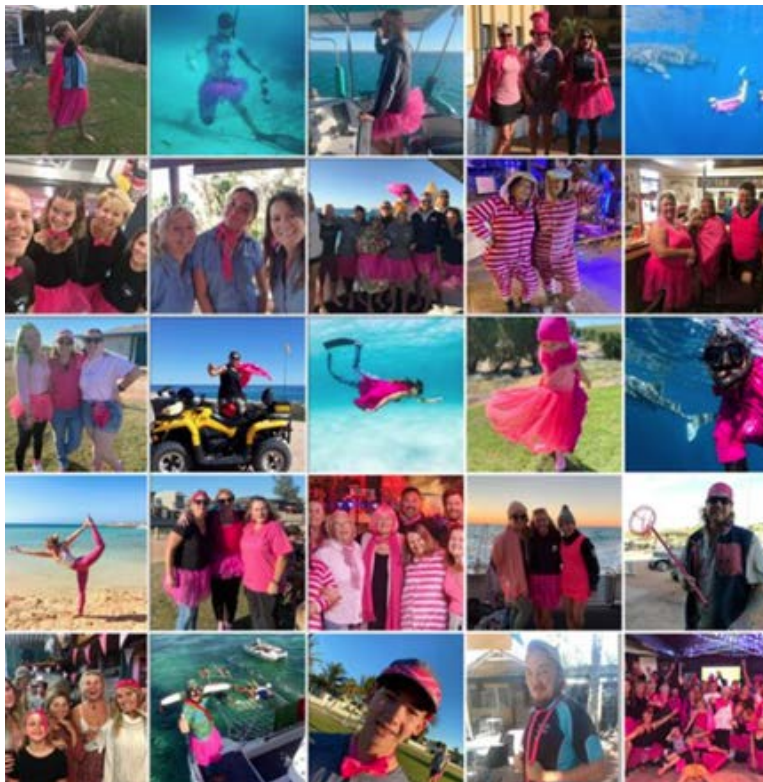

National Breast Cancer Foundation

DID YOU KNOW?

Breast cancer is the most common cancer in women in Australia (apart from non-melanoma skin cancer) and the second most common cancer to cause death in women, after lung cancer.

Breast cancer is the abnormal growth of the cells lining the breast lobules or ducts. These cells grow uncontrollably and have the potential to spread to other parts of the body. Both men and women can develop breast cancer, although it is uncommon in men. Transwomen, non-binary people can also get breast cancer.

DO YOU NEED A JUSTICE OF THE PEACE

JPs are regularly called upon by the WA Police Force to issue search warrants. Other tasks include witnessing affidavits, statutory declarations and certifying documents. There is a need for JPs to assist at document witnessing centres and other places. JPs are expected to perform their duties consistently and be available to the public whenever possible.

When contacting JPs, please note they are volunteers who provide their services to the community free of charge. While JPs make themselves available as much as possible, it should be remembered that JPs have the same type of work and personal commitments as any other person. Accordingly, you will need to negotiate a mutually acceptable time and place for appointment.

Gascoyne Regional Economic Development Grants

The Regional Economic Development Grants (RED Grants) program is a \$45.8 million over 8 years State Government initiative that invests in locally driven projects to stimulate job creation and economic growth in regional Western Australia.

Up to \$250,000 of funding is available for individual projects that contribute to increasing or sustaining jobs, expanding or diversifying industry, developing skills or capability, increasing business productivity and attracting new investment to the regions.

To be eligible for RED Grant funding an applicant must:

- be a legal entity capable of entering into a legally binding and enforceable financial assistance agreement (Grant Agreement) with the Western Australian State Government
- have an Australian Business Number (ABN)
- have an account with an authorised deposit-taking institution (an Australian financial institution or bank) registered with the Australian Prudential Regulation Authority.

The Gascoyne Development Commission's regional priorities include:

- Growing primary production;
- Aboriginal economic development;
- Tourism;
- Workforce development and accommodation;
- Vibrant communities and innovation.

How to apply

Eligible applicants are encouraged to contact the Gascoyne Development Commission to discuss their project proposal prior to the submission of an application.

Funding guidelines and application forms are available at:

<https://www.gdc.wa.gov.au/funding/regional-economic-development-grants.aspx>

For more information contact Colby Elliott on telephone 0498 000 089 or email: colby.elliott@gdc.wa.gov.au

FUN FAIR

Carnival Promotions have been given Shire approval to hold a Family Fun Fair at the Town Oval on Friday 22nd and Saturday 23rd July 2022.

SAVE THE DATE!!!

Can we crash at your place for a while?

Become an animal foster carer and provide short or long term care for rescue pets.

SAFE urgently need foster care homes and will provide you with support whether you foster an animal for two days, two weeks or two months! Foster carers provide temporary care for surrendered and homeless animals in a caring home environment until permanent homes can be found.

I have some free time, how can I help?

SAFE's work depends on a volunteer team of foster carers, branch coordinators, event organisers, photographers, animal profile writers, grant writers, administrators and many more.

Volunteering provides a sense of purpose, helps build new skills and creates meaningful connections. Becoming part of the SAFE team brings the satisfaction of knowing you are helping to ensure quality of life for homeless pets.

Being a SAFE volunteer can be a hugely rewarding experience.

E SCOOTERS GO SLOW AND BE AWARE OF THE RULES

Many e-scooters currently for sale in WA are illegal to use on public roads and paths in WA and can only be used on private property.

Compliant e-scooters can only be legally ridden on low speed WA public roads and paths if their maximum power output is no more than 200 watts and they cannot travel more than 10 km/h on level ground. Many e-scooters on the market are non-compliant and have motors that exceed 200 watts and can travel at speeds much faster than 10 km/h.

Riders of e-scooters that are compliant with relevant power output and speed regulations also must follow the following rules under Road Traffic Code 2000:

- Riders are permitted on footpaths and shared paths, so long as the rider keeps left and gives way to pedestrians also using the paths;
- Riders must wear a helmet;
- Riders cannot ride on roads with a speed limit exceeding 50km/h;
- Riders cannot ride on roads with a dividing line or median strip;
- Riders cannot ride on one-way roads with more than one marked lane; and
- Riders cannot ride during the hours of darkness.

Devices such as e-scooters have grown in popularity in response to community demand for more innovative and sustainable travel choices, which have the potential to lessen car dependence and more efficiently connect people to cities and communities.

With this in mind the Department of Transport is working with a range of stakeholders, including e-scooter companies, local governments and the Road Safety Commission as well as the National Transport Commission and other States and Territories, to develop a regulatory framework which could allow for the safe and convenient use of e-scooters on our transport network.

Dear Shire of Carnarvon residents,

Were you impacted by Cyclone Seroja and still need help?

I am writing to you as your residence, farm or business is within one of the 16 local government areas impacted by Cyclone Seroja. There are different types of help available for people affected by the cyclone. I encourage you to speak with a Community Recovery Officer about your situation to find out what type of help is available.

Telephone help

Residents affected by the cyclone in the Shire of Carnarvon can contact Community Recovery Officer Anita on 0448 354 239 for a chat.

If you are experiencing personal hardship or distress because of the cyclone, please phone the Department of Communities Disaster Response Hotline on 1800 032 965 for immediate support.

Help for uninsured house damage

There is help to clean-up damaged homes that were not insured. If you or someone you know is living with cyclone rubbish that makes the house unsafe call 1800 490 678 to find out about the help available.

Help for insured house damage

Financial help is available if your insurance claim does not cover all your repair costs. If you find yourself out of pocket due to the cost of repairing your property back to its pre-cyclone state please call 1800 490 678 for more information.

If you want to make your house stronger against future cyclones there is financial help to cover costs for installing specific upgrades in your home. To find out more go to dfes.wa.gov.au/recoveryandresiliencegrants or call 1800 490 678.

Help for small business owners

If your small business was impacted by the cyclone and you need help with the cost of

clean-up and repairs there is financial assistance available. To find out more go to smallbusiness.wa.gov.au/seroja or call 133 140.

Help for primary producers

If you are a primary producer impacted by the cyclone there is financial assistance available. To find out what the assistance covers and how to apply go to agric.wa.gov.au/emergency-response/disaster-recovery-funding-arrangements.

Help for owners of heritage and cultural sites

There is financial help to recover the costs of repairing heritage buildings and cultural sites. The owners can be private organisations, individuals or local governments. If you have already completed repairs you may still claim eligible costs. To find out more call 6551 9993.

Help coping with your situation

Living through a natural disaster can affect how you think, feel and act. If you are not coping as well as you normally would, recovery staff from the Department of Fire and Emergency Services, Department of Communities and Red Cross are available for a confidential chat. They can help you get the support you need, as well as take the stress out of applying for financial assistance by helping you through the application process.

Where to find more information

You can find more detailed information about the types of help available on the Cyclone Seroja State Recovery webpage at emergency.wa.gov.au/recovery.

Recovering from a natural disaster can be a challenging, slow and frustrating process. I would like to reassure you that you are not alone. Recovery staff can explain what help is available. Please contact them and find out how they can help your recovery.

Yours sincerely

Melissa Pexton

Cyclone Seroja State Recovery Controller

CYCLONE SEROJA FINANCIAL ASSISTANCE PACKAGES

Have you been impacted by Cyclone Seroja? Financial assistance remains available.

ROAD CONDITION REPORTS

If you are unsure of road conditions and want to check before you travel visit the Main Roads WA website at <https://travelmap.mainroads.wa.gov.au> and check out the Travel Map. It provides up to date road incident and impact information.

Alerts

Incidents or issues on the road affecting access or safety. These include closures or changes due to flooding, crashes, breakdowns, bushfires and alike.

Road closures

Information about road closures due to incidents or major planned roadworks. Road closures are shown as red lines on the map.

Roads open to specified vehicle types

Roads may only be open to certain types of vehicles. Full closure details including the vehicles able to access the road are provided in the alert.

Roads open with caution

Some roads may remain open however caution may be required to ensure the safety of all. For example, this includes fog incidents or minor flooding.

Traffic signal outages

We provide the location of those traffic lights that are blocked out to help you plan a safer trip.

Detours

Information is provided for you to safely navigate around an incident or issue on the road.

Roadworks

Information about current or planned roadworks having the potential to cause delays to your trip.

Events

Information about events having the potential to cause road closures or increased congestion in an area.

Rest areas and amenities

The location and details of places to stop during your trip are provided to help ensure a safer journey. Stopping places include parking, toilets and even picnic areas.

Google traffic

Powered by Google, this filter shows congestion across WA roads.

Clustering

Numbers are displayed in a green cluster on the map, indicating that there are multiple alerts in that location. Simply click on the icon to see more alerts in that area.

Alert list

A text-based list of this information is also provided. Filter by alert type, location or region and set your destination to see issues affecting your route.

CHECK YOUR TYRES!!

When you have come to the end of the bitumen and are heading on to dirt roads, it may be time to start thinking about your tyre pressures.

If the gravel road is smooth and well graded, and you're maintaining a similar speed to when you were driving on sealed roads, you can leave your tyre pressures as they were. But if the road surface deteriorates and you have to lower your speed to suit the conditions, you should probably think about lowering your tyre pressures. By how much will depend on the load your vehicle is carrying and the speed you're travelling at; the higher the load and the higher the speed, the more heat will be generated, so you don't want to go too low.

Lowering your tyre pressures in these conditions will not only improve your vehicle's ride quality, but also improve tyre flexibility, which can reduce the risk of chipping in the tread area.

Dropping tyre pressures for sand driving is a given, but how low will depend on several factors, including how soft the sand is, how coarse it is, whether it's wet or dry, and how hot the ambient temperature. Lowering air pressure increases the tyre's footprint, which in the case of sand helps it to float over the surface rather than dig into it.

By checking on your tyre pressures whether you are travelling on unsealed roads or sand tracks, you will ensure that you will not only arrive safely at your destination, but will protect your wheels as well as the track you are travelling on.

PROTECT YOURSELF FROM MOSQUITOES

There is no cure or vaccine to protect against mosquito borne diseases acquired in Australia. The only way to prevent infection is to avoid being bitten.

This can be done by -

- Covering up and wearing long, loose fitting, light coloured clothing, covering as much body as you can.
- When outdoors and mosquitoes are present, apply insect repellent containing DEET (diethyltoluamide) or picaridin evenly to exposed skin.
- Clean up - making simple changes around your home can reduce mosquito breeding. Remove, empty or cover water-holding containers.

The Shire of Carnarvon is excited to host the Gascoyne Games in 2023 and which will mark the first time the Games have been held in Carnarvon since 2015!

The Gascoyne Games is a multi-sport games event that has occurred in the Gascoyne since the inaugural event was held in 1994 in the Exmouth township. The most recent Gascoyne Games was held in Exmouth in 2021 organised by the Shire of Exmouth.

The event will be held over two (2) days and is the only multi-sporting event to be held in the region.

This presents an exciting opportunity for the Carnarvon community and the development of local sport and recreation. In particular, benefits include;

- Increase participation in sporting competition of those people living, especially in the Gascoyne region and surrounding regions;
- Build intra-regional spirit by uniting the Gascoyne and surrounding communities through a weekend of participation in various sporting activities;
- Provide officials and player sport development opportunities in a regional and remote area of WA;
- Increase awareness of different types of physical activities contributing to a healthy lifestyle; and
- Seek an economic benefit from additional visitor spend in the local community.

Given that local sporting associations are responsible for coordinating their relevant sporting competition, the success of the Gascoyne Games is largely determined by the number of local sporting clubs who support the event.

If you have any queries please don't hesitate to call 08 9941 0900 or email either benita.perkins@dlgsc.wa.gov.au or the Shire of Carnarvon at adcock.k@carnarvon.wa.gov.au

Department of Local Government, Sport & Cultural Industries - Gascoyne

GASCOYNE GROWERS & COURTYARD CRAFT **MARKETS** EVERY SATURDAY, MAY - OCTOBER 8AM - 11.30AM

@ CARNARVON VISITOR CENTRE

FRESH FRUIT & VEGETABLES - RANGELAND MEATS - COFFEE - BREAKFAST - GOAT PIES
LOCAL PRESERVES - JUICES - HOMEMADE CAKES - JEWELLERY - LOCAL PHOTOGRAPHY - BOOKS - CANDLES
WOOD & METALWORK - PLANTS - LOCAL ART - CROCHET & EMBROIDERY - COSMETICS - CLOTHING - KIDS ACTIVITIES

Every Saturday morning from May to October the Carnarvon town centre comes alive with the Gascoyne Growers' Markets. A visit to the markets makes it very clear why the Gascoyne has the well-earned reputation of being the "salad bowl of WA", with a surprisingly diverse range of fruit and vegetables, lush tropical fruits, rangeland meats, and seafood on offer. Fill your basket then grab a coffee and some breakfast, listen to the buskers, or browse through the adjacent Arts and Craft market. The Markets are proudly plastic bag free, so please remember to BYO bag.

Terms & conditions apply

ABOUT THE REGIONAL AIRFARE ZONE CAP

The Regional Airfare Zone Cap is a partnership between the State Government and the airline industry. It allows WA regional residents access to capped airfares for personal travel on eligible routes to and from Perth, subject to seat availability. The State Government has committed funding of up to \$19.8 million over three years to 2025 to five airlines operating on eligible regional air routes.

ELIGIBILITY

Zone Cap fares are **only for regional residents of WA**, living outside of the Perth and Peel regions. Zone Cap fares must be booked as a return fare that departs and returns to the same regional destination.

LOCATIONS COVERED UNDER THE REGIONAL AIRFARE ZONE CAP

Airport	Airline	One-way cap price
Albany	Rex	\$199
Broome	Qantas & Virgin	\$299
Carnarvon*	Rex	\$199
Esperance	Rex	\$199
Exmouth (Learmonth)	Qantas	\$299
Geraldton	Qantas	\$199
Kalgoorlie	Qantas & Virgin	\$199
Karratha	Qantas & Virgin	\$299
Kununurra	Airnorth & Virgin	\$299
Laverton*	Skippers Aviation	\$199
Leonora*	Skippers Aviation	\$199
Meekatharra*	Skippers Aviation	\$199
Monkey Mia (Denham)*	Rex	\$199
Mount Magnet*	Skippers Aviation	\$199
Newman	Qantas & Virgin	\$299
Paraburdoo	Qantas	\$299
Port Hedland	Qantas & Virgin	\$299
Wiluna*	Skippers Aviation	\$199

*Air services on these routes may not be direct to Perth, however they are regulated air routes and still eligible for the Zone Cap fare. All terms and condition are available at farego.wa.gov.au

ACCESSING ZONE CAP FARE TICKETS

Customers can access the Zone Cap fares through the relevant airlines' respective resident fare and loyalty programs.

Bookings can be made directly with the airlines or your travel agent.

SIGN UP FOR E-RATES

What is e-Rates:

E-Rates is a digital copy of your rates invoice that is emailed directly to your nominated email address, replacing the traditional print version.

What are the benefits of e-Rates:

- Have your rates invoice sent direct to your email address.
- No delays from postage.
- Save the environmental and financial cost of printing and postage.
- Digital record that you can easily access in the future.

Things to be aware of before you sign up:

By submitting this application, you are cancelling the delivery of a paper account and authorising an electronic copy to be sent to the nominated email address.

- Only one email address per assessment can be provided to receive this service.
- If you change your email address, please complete the form here.
- If you wish to cancel this service and revert back to a paper copy version, contact the Shire by email, in person at 3 Francis Street, or go to the Shire website & complete the online form.

Terms & Conditions:

1. You agree to receive your rate notice by email and understand that a paper document will not be sent.
2. You confirm you are the registered owner of the property address shown below.
3. All future rate notices will be in the form of a PDF attachment to an email sent to the email address nominated by you.
4. If you own more than one property, you will need to register separately for each property. Separate email notifications will be issued matching the number of registrations received.
5. You must advise any other person to whom paper rate notices are currently being sent that they will no longer receive paper rate notices as a result of your request. Council will not provide this notification.
6. You must regularly check your nominated email address for rate notices.
7. You agree that rate notices are deemed served when it reaches your internet service provider, whether or not you have opened or read the email.
8. An "out of office" or "delivery failure" notification will not be considered an undeliverable rate notice.
9. You agree that you will retain the rate notice information yourself electronically or by printing it.
10. Any updates or changes to details will need to be submitted in writing to the Shire.
11. You can withdraw your request for email delivery of your rate notice at any time.

Before you submit your form check you have the following information:

- Reference number (Note: You can find this information on your latest rate notice).
- Name (to who the rate notice is addressed)
- Property address

Make sure you are authorised:

- You will need to be either the property owner or managing agent*
- If there are multiple owners, only one email address will receive the rate notice. It is your responsibility to advise any additional owners that the rate notice will be sent to the nominated email address, and a paper notice will no longer be sent.

***Please note: the managing agent will need to submit an authorisation document.**
